FORM: CREATE KRONOS2 USER

Please complete the details of your new Kronos2 user. Use one form per user.

1. Account holder name - institution:

2. Full name of user:

3. Initials (min two, max four letters)[1]:

4. E-mail (not a group e-mail):

5. Telephone number:

6. Address (for sending RSA token):

---

[1] Initials will be used to create unique usernames.

Danmarks Nationalbank offers 8 predefined user profiles, 4 in the RTGS and 4 in the GCSD module, which will determine a user's access to the system. For a deeper explanation of the user profiles' access to the system, we refer to the note: "Kronos2 user profiles explained" and matrix: "Matrix - Kronos2 User profile descriptions" which can be found on our website.

7. User profile(s) to be assigned in the RTGS module:

☐ Liquidity

☐ Registration

☐ Reconciliation

☐ View only

☐ T2S Transfers

☐ T2S Reports

☐ None

8. User profile(s) to be assigned in the GCSD module:

☐ Monetary policy operations

☐ Pledging of collateral

☐ Cash supply operations

☐ View only

☐ None

9. Any comments:

E-mail the completed form to: brugeradm_kronos2@nationalbanken.dk

For account holder:

Date: _____

Name of Security Officer: _____
